Fall 2025 Admissions by Sex

Fall 2025 — Key Findings

- William & Mary received **16,895 applications**, admitted **6,245**, and enrolled **1,639** first-year students.
- The admission rate was **37.0%**.
- **26.2%** of admitted students enrolled.
- These figures cover **one year**; additional years are needed to identify trends.

Data Quality Checks

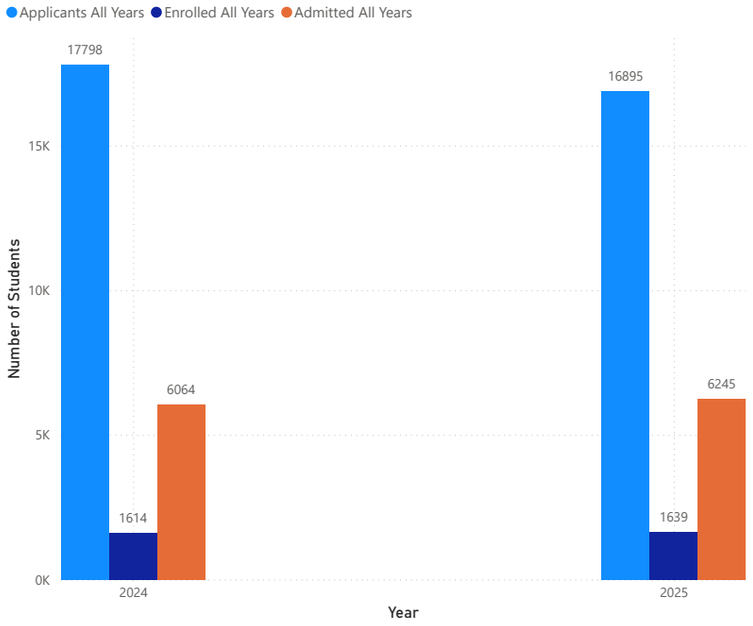

- **Missing counts: 0 rows** — Applicants, Admitted, and Enrolled contain no blanks.
- **Invalid order: 0 rows** — Each row follows Applicants ≥ Admitted ≥ Enrolled.
- **Scope:** Checks cover three aggregate rows: Men, Women, and Unknown. They do not verify individual student records.

Metric Definitions

- **Admission Rate** = Total Admitted ÷ Total Applicants.
- **Yield Rate** = Total Enrolled ÷ Total Admitted.
- **Data source:** William & Mary Common Data Set 2025–2026, Section C.
- **Reporting period:** Fall 2025.

Year	Applicants All Years	Admitted All Years	Enrolled All Years	Admission Rate All Years	Yield Rate All Years
2024	17798	6064	1614	34.1%	26.6%
2025	16895	6245	1639	37.0%	26.2%
Total	**34693**	**12309**	**3253**	**35.5%**	**26.4%**

First-Year Admissions: Fall 2024 vs. Fall 2025.
